I, Abner Rase of Fairhaven, in the County of Bristol and Commonwealth of Massachusetts, being of sound mind and memory, calling to mind the mutality of man, do, this eighteenth day of January, in the year of our Lord, one thousand eight hundred and forty-seven, make this my last will and testament and dispose of my earthly estate, viz.

In the first place, I give and dispose the use and improvement of my farm or land, lying in the South part of Rochester, in the County of Plymouth, which I had by deed and will from my father, Theophilus Rase, in the following manner, that is, the West part of said farm to the Overseers of the Friends Long Plain Reparatory meeting and their successors in office, in trust, for the benefit of the Friends meeting house and Society, situate near the dwelling-house of the late Jonathan Loring, deceased, in said Rochester, the said West part of said farm is bounded as follows, viz, beginning at the North-east corner of William Nye's lot of land, formerly called the Proctor lot, at a stake and heap of stones, thence West to Ebenezer Randalls land, thence North to Millers line, thence East fifty-seven rods, thence South to the first mentioned bound, containing about twenty acres.

Item. I give after the decease of my said wife, or when she ceases to be my widow, to the Overseers of the Long Plain Friends Preparatory meeting and their successors in that office, in trust forever the remainder of my personal estate not otherwise disposed of, the income of which to be appropriated for the benefit of the Friends ——

meeting in said Fairhaven and Rochester.

Copy of the decree of Supreme Judicial Court to the bequest of Abner Pease to the Friends Meetings of Fairhaven and Rochester.

Bristol ss Supreme Judicial Court
R. W Dexter & Josiah Holmes Exrs in Equity
vs
Edmund Gardner & others

And now the said Dexter having deceased on the 27th day of April in the year 1862 and the cause having been prosecuted thereafter by the said Josiah Holmes as the surviving Executor of the last Will and Testament of said Abner Pease, and the cause having been brought to a hearing upon the pleadings and proofs, and due consideration thereof being had, the Court are of opinion and do adjudge and decree, that the bequest of the testator in his will of the Remainder of his personal Estate, not otherwise disposed of, the income of which to be appropriated for the benefit of the Friends Meeting in said Fairhaven and Rochester, is a Charity or Charitable bequest and not void as a violation of the rule against perpetuities or otherwise

And that by the phrase in the Will Friends Meeting in Fairhaven & Rochester the beneficiary as aforesaid is designated meant & intended, the Long Plain Preparative Meeting

And this Court being of the opinion that the overseers of the New Bedford Monthly Meeting, as a body corporate by the Statutes of the Commonwealth are entitled to take and hold in trust forever said residue and remainder

of said personal Estate do therefore adjudge and decree that the said Holmes as such surviving Executor of the Will of said Abner Pease, after paying all parties to this suit out of the fund their costs of this suit as between solicitor and client, do pay over the said rest, residue and remainder of the testators personal Estate, to the Overseers of the New Bedford Monthly Meeting for the time being in trust forever & to be held by said overseers for the time being upon the trust that the income thereof be appropriated for the benefit of the Friends Meeting aforesaid that is to say for the benefit of the Long Plain Preparative Meeting, as set forth in said will

And it is further decreed that there be allowed and paid by said Holmes as Executor, to all the parties to this suit, their cost of this suit as between solicitor and client said cost to be fixed and determined in and by a supplementary decree, and after the passing of such supplementary decree and the payment of said cost out of said residue according to such supplementary decree, that said Josiah Holmes as such surviving Executor do pay said residue and remainder of said personal Estate over to the overseers of the New Bedford Monthly Meeting to hold in trust forever as herein before set forth

And it is further ordered that after the Entry of such Supplementary Decree as to cost and payment of said cost and after paying over said residue to said overseers of the New Bedford Monthly Meeting as a body corporate, in trust forever

the said Josiah Adams as Executor to render a report and account of his doings under this decree & said supplementary decree to this Court for examination approval and confirmation. By the Court

B

Bristol S. J. Court
Dexter & al Exp vs Gardner & al

It is now ordered and decreed by way of supplement to the decree entered in this cause adjudging that there be paid to all the parties to this suit their costs and expenses of the suit as between solicitor and client out of the fund in controversy that the said Josiah Holmes as surviving executor of the last will & testament of the said Abner Pease do pay out of the said residuary fund the taxable costs of the plaintiffs the bill of costs to be taxed by the clerk. and that he include therein the sum of thirty five dollars for the fees of Edmund F. Bennett Esquire who was appointed a special master in the cause: and that he also pay out of said fund the sum of twelve hundred & fifty dollars to Messrs Eliot & Stetson solicitors for the plaintiffs & others for their fees as solicitors. and such further sum as they have expended for the printing of papers in the case so far as the same is not included in the taxable bill of costs.

And that the said Holmes also pay out of said fund the taxable costs of the defendants to be taxed by the clerk. and allowing to all the defendants only one bill of costs. and the sum of one thousand dollars to be paid to John F. We your committee appointed to give some history of the Friends old meeting house that was in Acushnet — Present the following account.

The Friends old meeting house that was in Acushnet and formerly known by the name of the Head of the River meeting House.

That — meeting house was built in the year 1729 and stood partly on the lot where the new one now stands.

The old meeting house was built — after the style that most — Friends meeting houses were built — in those days. The main or front part of the house was two stories with a gallery. This part was sold and taken down. The the back part was of one story resembling the shape of a porch when attached to the main body of a dwelling house. This part was sold to Daniel ~~Rickison~~ Thorton son of the late Elisha Thornton deceased and moved on to his land and ~~finished off for~~ a dwelling house, and now it stands a few rods East of the gable roof house once owned and occupied by John R Davis, a minister of the Society of Friends who assembled for many years with Friends and his neighbors in the old meeting house to worship their heavenly Father. We believe many persons were brought by his ministry and counsel, out of Sin and darkness into that marvelous light.

The Long Plain Preparative Meeting in the year 1875 decided to dispose of the old meeting house and to have a new one built. The Meeting chose a committee to carry out their wishes, which consisted of the following named Friend. viz Edward G Dillingham Jonathan Tower and William D Howland. This carried out the wishes of said meeting the same year.

The Committee appointed to confer with the Overseers (of New Bedford Monthly meeting) concerning the distributing of the Abner Lease fund make the following report - viz

They reccommend that two Custodians be appointed from the Overseers of the New Bedford Monthly Meeting - one from Long Plain Preparative Meeting the other from New Bedford to hold ~~the~~ the funds and receive all the income from said funds and pay over said income as soon as received to the Long Plain Preparative Meeting or their duly authorized Agent, or treasurer that they may appoint to receive said income, the said Preparative Meeting to see that said income is disbursed according to the intent of the Donor and the Decree of the Court. The said Meeting shall give the said Custodians a copy of the minutes or Record of the appointment of their said agent or Treasurer to receive said income from said Custodians and who shall give his receipt therefor - The said Treasurer or Agent shall once in each year present to an auditing Committee to be appointed by New Bedford Monthly Meeting an account of all payments of said trust funds or income and shall produce vouchers for all moneys paid out and disbursed -

After said accounts have audited the said Treasurer or agent shall hold said vouchers one year to be kept in some fire proof safe. at the end of the year said vouchers shall be given up to said Custodians who shall give their receipt for the same - the said Custodians shall put said vouchers in the trunk where the securities of said Fund are to be kept in some fire proof safe so that the Long Plain Preparative Meeting can have access to them through the Custodians - Said Trunk not to be opened

upon in the presence of both Custodians - Providing however one of the Custodians should be sick or absent then one of the Overseers act in his stead - This report if ~~xxxx~~ adopted to be recorded on the Records of the Monthly Meeting of New Bedford
